FOR THE SOUTHERN DISTRICT OF OHIO
EASTERN DIVISION

UNITED STATES OF AMERICA

vs.

Criminal Action 2:17-cr-148
JUDGE ALGENON L. MARBLEY

JUAN CARLOS CABRALES-ESPARZA

REPORT AND RECOMMENDATION

Defendant Juan Carlos Cabrales-Esparza is charged in an *Indictment* with conspiracy to distribute and to possess with intent to distribute marijuana and more than 100 grams of heroin in violation of 21 U.S.C. §§ 846, 841(b)(1)(B)(i) (Count 1), and illegal reentry into the United States in violation of 8 U.S.C. § 1326(a)(1) (Count 2). The United States and defendant entered into a plea agreement, executed pursuant to the provisions of Rule 11(c)(1)(A) of the Federal Rules of Criminal Procedure, whereby defendant agreed to enter a plea of guilty to both counts.¹ On January 11, 2018, defendant, accompanied by his counsel and with the assistance of a Spanish interpreter, appeared for a change of plea proceeding. Defendant consented, pursuant to 28 U.S.C. § 636(b)(3), to enter a guilty plea before a Magistrate Judge. *See United States v. Cukaj*, 2001 WL 1587410 at *1 (6th Cir. 2001) (Magistrate Judge may accept a guilty plea with the express consent of the defendant and where no objection to the report and recommendation is filed).

During the plea proceeding, the undersigned observed the appearance and responsiveness of defendant in answering questions. Based on that observation, the undersigned is satisfied that, at the time he entered his guilty pleas, defendant was in full possession of

¹ The *Plea Agreement*, ECF No. 39, includes an appellate waiver provision which preserves only certain claims for appeal, but which does not limit defendant's ability to assert claims under 28 U.S.C. § 2255. Defendant also acknowledges that his deportation from the United States is likely.

his faculties, was not suffering from any apparent physical or mental illness, and was not under the influence of narcotics or alcohol.

Prior to accepting defendant's pleas, the undersigned addressed defendant personally and in open court and determined his competence to plead. Based on the observations of the undersigned, defendant understands the nature and meaning of the charges in the *Indictment* and the consequences of his pleas of guilty to those charges. Defendant was also addressed personally and in open court and advised of each of the rights referred to in Rule 11 of the Federal Rules of Criminal Procedure.

Having engaged in the colloquy required by Rule 11, the Court concludes that defendant's pleas are voluntary. Defendant acknowledged that the plea agreement signed by him, his attorney and the attorney for the United States and filed on November 22, 2017, represents the only promises made by anyone regarding the charges in the *Indictment*. Defendant was advised that the District Judge may accept or reject the plea agreement and that, even if the Court refuses to accept any provision of the plea agreement not binding on the Court, defendant may nevertheless not withdraw his guilty pleas.

Defendant confirmed the accuracy of the statement of facts supporting the charge, which is attached to the *Plea Agreement*.² He confirmed that he is pleading guilty to Counts 1 and 2 of the *Indictment* because he is in fact guilty of those offenses. The Court concludes that there is a factual basis for the pleas.

The Court concludes that defendant's pleas of guilty to Counts 1 and 2 of the *Indictment* are knowingly and voluntarily made with understanding of the nature and meaning of the charges and of the consequences of the pleas.

² The *Statement of Facts* makes no mention of defendant's prior deportation or failure to obtain permission to reenter into the United States. However, at the change of plea proceeding, the attorney for the Government supplemented the *Statement of Facts* in this regard and defendant acknowledged that he had been deported and removed from the United States prior to being found in the United States on May 11, 2017, and that he had not, prior to that time, sought or obtained permission to reenter into the United States.

It is therefore **RECOMMENDED** that defendant's guilty pleas to Counts 1 and 2 of the *Indictment* be accepted. Decision on acceptance or rejection of the plea agreement was deferred for consideration by the District Judge after the preparation of a presentence investigation report.

In accordance with S.D. Ohio Crim. R. 32.1, and as expressly agreed to by defendant through counsel, a written presentence investigation report will be prepared by the United States Probation Office. Defendant will be asked to provide information; defendant's attorney may be present if defendant so wishes. Objections to the presentence report must be made in accordance with the rules of this Court.

If any party seeks review by the District Judge of this *Report and Recommendation*, that party may, within fourteen (14) days, file and serve on all parties objections to the *Report and Recommendation*, specifically designating this *Report and Recommendation*, and the part thereof in question, as well as the basis for objection thereto. 28 U.S.C. §636(b)(1); F.R. Civ. P. 72(b). Response to objections must be filed within fourteen (14) days after being served with a copy thereof. F.R. Civ. P. 72(b).

The parties are specifically advised that failure to object to the *Report and Recommendation* will result in a waiver of the right to *de novo* review by the District Judge and of the right to appeal the decision of the District Court adopting the *Report and Recommendation*. See *Thomas v. Arn*, 474 U.S. 140 (1985); *Smith v. Detroit Federation of Teachers, Local 231 etc.*, 829 F.2d 1370 (6th Cir. 1987); *United States v. Walters*, 638 F.2d 947 (6th Cir. 1981).
